## Good Shorthorns Sell Here

**T**HE SUCCESS that has attended the efforts of W. E. Pritchard in the production of high-class Shorthorns is known throughout the United States and Canada, and surely it is a record to be proud of.

The Pritchard Shorthorns have won a conspicuous place among the breed's great collections because of the fact that a great sire made it possible for the herd to turn out a class of stock that had no reason to fear competition, no matter from what quarter it came.

Dale Clarion is the bull that put this herd in the lime-light, and where is there a progressive Shorthorn breeder who has not heard of the achievements of Dale Clarion and his get?

This auction contains some of the greatest specimens he has ever sired and the man who wants the best types the breed has produced in recent years should aim to attend.

Besides all the females old enough are bred to him so that everyone will have an equal chance to secure some of his blood. It is blood that is worth considering.

FRANCIS T. MARTIN  
With the Breeder's Gazette

# Terms and Conditions

E BELIEVE every animal to be sold in this sale will prove a breeder under proper care, but should any bull in this offering prove not to be a breeder after a reasonable trial period we will replace him to the buyer's satisfaction or refund the purchase price. And further, should any female not prove to be in calf to the service given and on further trials fail to get in calf, we will replace such animal with another of equal value as near as possible. Cows with calves at side are considered breeders, and no further guaranty is given.

**PEDIGREES**—A transfer certificate of registry in the American Shorthorn Herd Book will be furnished for every lot sold. Calves at foot will be furnished with application blank ready for registry.

**TEST**—Cattle sold subject to 60-day retest when cattle are not allowed to run with other cattle. We waive all responsibility in cases not reported in 70 days.

**TERMS**—Cash, or bankable note for six months at 7 per cent.

**LOCATION**—Forty miles east of Omaha, on the main line of the Chicago-Rock Island railroad. Excellent connections from all points.
